- Adobe Illustrator

FRONT-END DEVELOPER

SRIMALI UDAYANGANI

I am an enterprising professional with a passion for creativity and a solid background in web and mobile UI development, having honed my skills over the course of my career. As a dedicated UI/UX Engineer with a creative mindset and a keen eye for design, I am eager to explore opportunities to leverage my expertise in crafting modular, scalable, and responsive UI solutions. I am excited about the prospect of contributing to innovative projects and making a meaningful impact in the tech industry."

EXPERIENCE

One Billion technology Colombo (2021-2023)

ASSOCIATE UI/UX ENGINEER(2023-PRESENT)

UI/UX ENGINEER INTERN(2021-2023)

- Collaborated with cross-functional teams to develop modular and scalable UI solutions using HTML5, CSS3, React, Bootstrap, JQuery
- Ensured UIs supported all major browsers and adhered to UI standards.
- Analyzed user experience by evaluating business requirements and design concepts, providing feedback, and implementing optimal UX solutions.
- Worked closely with Product and Design teams to translate concepts into prototypes and assisted engineering teams with final implementation.
